DETAIL OF THE SUBMISSION

1. INTRODUCTION

1.1 The Police and Crime Commissioner can commission services that:

- secure, or contribute to securing, crime and disorder reduction in Suffolk;
- are intended to help victims or witnesses of, or other persons affected by, offences and anti-social behaviour.

This is in accordance with the provisions in the Anti-Social Behaviour, Crime and Policing Act 2014. In applying this provision, the PCC will ensure that the services commissioned are also consistent with the Suffolk Police and Crime Plan 2017 – 2021.

1.2 This report provides a summary of the grants recommended for funding through the Suffolk Police and Crime Commissioner's Fund in October 2021.

2. SUFFOLK POLICE AND CRIME COMMISSIONER'S FUND

2.1 The Suffolk Police and Crime Commissioner's Fund is administered by Suffolk Community Foundation and was previously known as the Safer Suffolk Fund. More information on the Fund can be found on the PCC website: [Decision 10 – 2014 – Proposals for Crime and Disorder Reduction Grants – 2014-15](#) and the [Safer Suffolk Fund Terms of Reference](#). [Decision 23-2016](#) refers to the future management of small grant awards.

2.2 The Suffolk Police and Crime Commissioner's Fund seeks to support organisations that can show clear measurable outcomes that address the key objectives of the [Police and Crime Plan for Suffolk 2017-2021](#). These are: to respond to calls for urgent assistance, care for our victims, communities, the local economy and our workforce, to protect the most vulnerable people and communities by preventing, reducing and solving crime and delivering efficient and effective services with the right resources. A new Police and Crime Plan is currently being consulted upon and will steer the future direction of the PCC Fund.

2.3 It is recognised that voluntary, community and social enterprise (VCSE) organisations play a significant role in reducing crime and disorder and supporting victims and therefore the fund invites applications from organisations that are providing support in partnership/collaboratively where links can also be made with the key areas of focus in the Police and Crime Plan:

- **Vulnerable victims** – who are or could be a target for crime.
- **Victims of crime** – helping people cope with the immediate impact of the crime and recover from the harm caused – especially where partnerships are formed to support victims.
- **Serious Violence** – initiatives to support those at risk of offending and becoming victims from Knife crime, gang activity and county lines.
- **Young People** – positive engagement schemes to reduce crime and disorder with a focus on those who are disadvantaged or at risk of offending, and provide opportunities for young people.
- **Drugs and Substance misuse** – working with those who have drug and alcohol issues to positively impact on crime and disorder reduction.
- **Preventing reoffending** – working with those who offend to reduce re-offending.
- **Reducing crime** – where an evidential link can be made to reducing crime and disorder.

- 2.4 A panel, established to consider grant applications, includes a representative of the PCC's executive team and Chairs of the local Community Safety Partnerships (Ipswich, West Suffolk, East Suffolk Community Safety Partnerships). The Panel is chaired by the PCC who is responsible for final determination of each award.
- 2.5 Due to Covid-19 pandemic restrictions the meeting to discuss the applications for Round 26 was held online.
- 2.6 The decisions for all previous awards can be found on the [PCC's website](#) along with a [summary of impact](#) for the grants awarded between September 2017 – December 2019.

- 3.1 Details of the grants proposed can be found in Appendix A.
- 3.2 Conditions, including monitoring arrangements, for each award are agreed between Suffolk Community Foundation on behalf of the PCC and the recipient.

5. OTHER IMPLICATIONS AND RISKS
