DETAIL OF THE SUBMISSION

1. INTRODUCTION

- 1.1 Section 5(1) of the Police Reform and Social Responsibility Act 2011 provides that a police and crime commissioner for a police area must issue a Police and Crime Plan within the financial year in which each ordinary election is held.
- 1.2 Following the PCC election in May 2021, this report presents the draft Plan for Police and Crime Panel consideration. The Act requires (s5(6c)) the PCC to send a draft of the Police and Crime Plan to the Police and Crime Panel to enable the Panel to review the Plan and make recommendations.
- 1.3 The Police Reform and Social Responsibility Act 2011 requires that the Chief Constable is consulted on the development of the Plan and the views of local people are obtained.

2. DEVELOPMENT OF THE POLICE AND CRIME PLAN 2022-2025

- 2.1 An initial draft of the Police and Crime Plan was shared and discussed with members of the Police and Crime Panel in September 2021, prior to the public consultation upon the Plan. The Panel's comments led to some changes prior to the consultation period, other issues raised have been considered alongside the wider consultation analysis.
- 2.2 The Chief Constable has been fully involved during the development of the Plan. Consultation with responsible authorities (as defined by the Crime and Disorder Act 1998) began in September 2021 and a formal public consultation period ran from 18 October to 22 November 2021 to enable comments upon the Plan, and to obtain views about policing. Themes have been drawn out in the consultation analysis which has been prepared and supplied to the Panel separately.
- 2.3 The revised draft Plan is attached. Following the consideration of the draft Plan, the Panel's recommendations will be reviewed by the PCC, prior to the finalisation and publication of the Plan and associated Performance Framework.

3. SERVICE AND FINANCE IMPLICATIONS

- 3.1 There are no direct financial implications arising from the consideration of this paper. There will naturally be service and financial implications associated with the operational delivery of activities set out in the plan, once approved and finalised. These will continue to be monitored and assessed throughout the life of the Plan.
- 3.2 The outcome of the current precept consultation will impact the activity under objective 1 in relation to the improvements to the Command and Control Room and call handling.

4. RISK

- 4.1 There are no applicable risks. Once published, delivery of the Plan will be kept under review.
