## **DETAILS OF THE SUBMISSION**

### **1 INTRODUCTION**

- 1.1 In October 2014 the PCC assumed responsibility for the commissioning of victims' services. The PCC's key objective is to deliver effective victims' services to all victims of crime according to their needs and regardless of their geographic location or any other factor.
- 1.2 The Police and Crime Commissioner can commission services that:
- secure, or contribute to securing, crime and disorder reduction in Suffolk;
  - are intended to help victims or witnesses of, or other persons affected by, offences and anti-social behaviour.
- 1.3 This is in accordance with the provisions in the Anti-Social Behaviour, Crime and Policing Act 2014.
- 1.4 The PCC's victims commissioning approach will prioritise grant applications which:
- (a) fulfil the requirement to provide services for victims who are entitled to enhanced services, and
  - (b) address gaps in service provision.
- 1.5 Decisions on the commissioning of victims services are made on the basis of those which are considered to have the greatest likelihood of delivering the best possible outcome, in terms of helping victims to cope and recover from their experience, and the process will take into account the following:
- Innovation - an innovative approach to delivering victims' services;
  - Working in partnership/collaboration - working in partnership or collaboration with one or more additional victims' services providers;
  - Hard to reach/hear groups – services that are aimed at supporting victims from hard to reach/hear groups;
  - Gaps in services – services that will address an unmet need/gap in services.
- 1.6 The purpose of this report is to seek approval to award a local charity 'Survivors in Transition' (SiT) a grant of £15,000 for the purposes of delivering services for adult survivors of childhood sexual abuse.

### **2 POLICE AND CRIME PLAN OBJECTIVES**

- 2.1 Following the issue of the Police and Crime Plan 2013-2017, work has been on-going to ensure that the police and crime objectives will be achieved. The Police and Crime Plan sets out a clear commitment to providing services that meet the needs of victims of crime and vulnerable people.
- 2.2 Since the publication of the plan the PCC has engaged extensively to pursue the ambitions set out within the Plan, including the provision of high quality services to victims and vulnerable people and to prevent and respond to sexual offences.

### **3 SURVIVORS IN TRANSITION**

- 3.1 SiT started as a voluntary organisation back in 2009 to address the lack of specialist support available in Suffolk for adult survivors of Childhood Sexual Abuse (CSA). SiT became a registered charity in November 2011 and offers targeted group sessions, telephone, email and online support and a specialist counselling and therapy service.
- 3.2 The Savile scandal, and other high profile cases of historic abuse has seen unprecedented demand on their service. SiT supports male and female adult survivors of Childhood Sexual Abuse, Violence and Exploitation. The organisation

aims to break the cycle of abuse that exists in families and safeguarding future generations from sexual abuse. The organisation aims to empower survivors to take control of their lives and cope better with the daily effects the abuse has left them with.

3.3 Since its first contact with the PCC, demands for services have increased significantly which SiT has struggled to satisfy. In recognition of the need to meet increasing levels of unmet demand across Suffolk, and to build capacity, capability and sustainability to continue to satisfy demand, it is proposed to offer an award to Survivors in Transition.

3.4 The grant will be used to deliver services to adult survivors of childhood sexual abuse.

#### **4 OUTPUTS/OUTCOMES**

4.1 The grant award will be made on the basis that monitoring information on the outputs and outcomes achieved from the use of this funding will be supplied to the PCC. This will enable the PCC to develop an understanding of the demand upon the service and the impact of the grant.

#### **5 MISCELLANEOUS CONDITIONS OF AWARD**

5.1 Full 'Conditions of Award' including conditions relating to transfer of funds, monitoring, and publicity and marketing are specified separately but include the following.
