DETAILS OF THE SUBMISSION

1 INTRODUCTION

- 1.1 In October 2014 the PCC assumed responsibility for commissioning victims' services. The PCC's key objective is to deliver effective victims' services to all victims of crime according to their needs and regardless of their geographic location or any other factor.
- 1.2 The Police and Crime Commissioner can commission services that:
- secure, or contribute to securing, crime and disorder reduction in Suffolk;
 - are intended to help victims or witnesses of, or other persons affected by, offences and anti-social behaviour.
- 1.3 This is in accordance with the provisions in the Anti-Social Behaviour, Crime and Policing Act 2014.
- 1.4 The PCC's victims commissioning approach will prioritise grant applications which:
- (a) fulfil the requirement to provide services for victims who are entitled to enhanced services, and
- (b) address gaps in service provision.
- 1.5 Commissioning decisions are made on the basis of those which are considered to have the greatest likelihood of delivering the best possible outcome, in terms of helping victims to cope and recover from their experience and take into account the following:
- Innovation - an innovative approach to delivering victims' services;
 - Working in partnership/collaboration - working in partnership or collaboration with one or more additional victims' services providers;
 - Hard to reach/hear groups – services that are aimed at supporting victims from hard to reach/hear groups;
 - Gaps in services – services that will address an unmet need/gap in services.
- 1.6 The purpose of this report is to seek approval to award 'Fresh Start - new beginnings' a grant of £30,000 for the purposes of providing support and counselling to children and young people who are victims of sexual abuse.

2 POLICE AND CRIME PLAN OBJECTIVES

- 2.1 Following the issue of the Police and Crime Plan 2013-2017, work has been on-going to ensure that the police and crime objectives will be achieved. The Police and Crime Plan sets out a clear commitment to providing services that meet the needs of victims of crime and vulnerable people.
- 2.2 Since the publication of the plan the PCC has engaged extensively to pursue the ambitions set out within the Plan, including the provision of high quality services to victims and vulnerable people and to prevent and respond to sexual offences.

3 FRESH START - NEW BEGINNINGS

- 3.1 'Fresh Start - new beginnings' is based in Suffolk and was set up to provide a therapeutic service for children and young people up to 18 years who have reported being sexually abused and to offer support for their families. The organisation aims to help children and young people make sense of the confusion they feel and to teach them coping strategies to deal with the difficulties they face so that they can recover and move on.

- 3.2 In 2014/15 there have been significant increased demands for services. In recognition of the need to satisfy increased levels of unmet demand, and to build capacity, capability and sustainability to continue to satisfy demand it is proposed to award a grant to 'Fresh Start-new beginnings'.

4 OUTPUTS/OUTCOMES

- 4.1 The grant award will be made on the basis that monitoring information on the outputs and outcomes achieved from the use of this funding will be supplied to the PCC. This will enable the PCC to develop an understanding of the demand upon the service and the impact of the grant.
