DETAIL OF THE SUBMISSION

1 INTRODUCTION

- 1.1 The Police and Crime Commissioner can commission services that:
- a) secure, or contribute to securing, crime and disorder reduction in Suffolk;
 - b) are intended to help victims or witnesses of, or other persons affected by, offences and anti-social behaviour.
- This is in accordance with the provisions in the Anti-Social Behaviour, Crime and Policing Act 2014. In applying this provision, the PCC will ensure that the services commissioned are also consistent with the Suffolk Police and Crime Plan 2017–2021.
- 1.2 This report recommends that the PCC approves a grant of £20,000 for the period 1 April 2017 to 31 March 2018 to Compassion to ensure continued availability of services to victims of domestic violence and abuse in the Babergh area of Suffolk.

2 POLICE AND CRIME PLAN OBJECTIVES

- 2.1 Following the issue of the Police and Crime Plan 2017-2021 work has been on-going to ensure that the Police and Crime Objectives and the Plan's principal themes will be achieved. A key theme within the Plan is ensuring the provision of high quality services to victims of domestic abuse.
- 2.2 The proposed grant will contribute to the Police and Crime Plan by funding core service costs to support the provision of specialist support to victims of domestic violence and abuse.

3 COMPASSION: ADDRESSING DOMESTIC ABUSE IN BABERGH

- 3.1 Compassion is an independent, multi-agency forum that was founded in 2001 and gained charity status in 2014. The forum aims to ensure that victims of domestic violence in the Babergh area of Suffolk have access to community based, locally led, high quality services and programmes. The forum works to raise awareness of domestic violence related issues and help victims break the cycle of abuse through providing programmes and free, confidential support services.
- 3.2 The PCC provided funding to the Compassion in 2014 to increase the organisation's capacity and capability and again in 2016/17 to support the part time project manager post to maintain core programme and service delivery, promoting services and awareness raising with the community and other agencies.
- 3.3 Compassion reported the following outputs and outcomes during 2016/17:
- 93 people were supported during 2016/17, 12 of whom were supported to report to the police (21% of those who had not reported to the police at engagement);
 - Four safeguarding referrals (women and children) were made;
 - Evaluation indicated the following impact of the services provided in helping clients to cope and recover (based on 39 responses over 9 months of the grant period):
 - o Improved understanding of the abuse they have experienced 90%
 - o Increased Self Esteem 74%
 - o Increased Self confidence 74%
 - o Improved support networks 72%
 - o Improved health and well being 69%
 - o Improved relationships 59%
 - o Improved perception of safety 59%
 - o Feeling informed 59%

- 3.4 Compassion receives referrals from a range of agencies (e.g. Children and Young People Services, Social Services, Health, GPs, Police, IDVA Service, ACT (DA support service), Schools and Citizens Advice). The service also receives self-referrals.
- 3.5 Compassion is continuing to develop services in Hadleigh and Shotley as currently underserved areas. Whilst direct referrals for men have not been received to date, the organisation is also considering a pilot in the Sudbury area which will consider the best approach for male victims of domestic violence.
- 3.6 A grant award of £20,000 from the Police and Crime Commissioner will allow the Projects Manager post to continue. The post co-ordinates the programmes and services that Compassion runs including: Freedom Programme; Who's in Charge?; Stronger Families; Support Group; One to One support and Befriending.
- 3.7 Extending the part time post from 15 hours a week (as previously funded by the PCC) to 18 hours a week (or nearly 2 extra days a month) will allow Compassion to develop new services and programmes with other agencies and raise awareness with victims and local engagement.
