

Ixworth Street Sports

With match funding from Suffolk County Council, the sum of £500 will support the provision of 9 sessions to be delivered in Ixworth by the Streets Sports team based in Newmarket.

This is a proven initiative which is fully inclusive and includes both indoor and outdoor activities. It is proposed following incidents of community tension linked to young people who live in the area of Ixworth. It links to the Plan by helping to reduce anti-social behaviour, supporting the most vulnerable and reducing the fear of crime within the community. Expected outcomes and include a reduction in ASB and the fear of crime and empowerment to the young people to develop and deliver their own positive support network.

Funding of £500 for 2013/14 was agreed by the PCC on 25 September 2013 – Confidential Decision C14-2013 refers.
