PCC allocation 13/14 Total spend to date £72,238 £71,662.58

Bid No	Project and description	Priority	Amount agreed	Progress to date	Outcomes/performance measures
1	Test Purchasing X 4 operations based on Intelligence of underage alcohol sales Commissioned to SCC Trading Standards.	Night time economy- reduce alcohol related violence Tackle ASB- reduce reports of ASB involving young people	2000	Commissioned in Q2 4 operations taken place; 1x Newmarket - 1sale £80 PDN given to seller 1x Haverhill - 2 sales £80 PNDs given to sellers 1x Sudbury - 3 sales- formal investigations underway 1x Bury St Edmunds - No sales	Number of operations and results Number of training sessions and staff attending for licencees Overall reduction in U/age sales following training
	4 additional operations purchased following confirmation of capacity by TS.		2000	Plus 1 revisit in Newmarket – no sale Two operations took place in the Western area this quarter. Both took place in Haverhill area of Suffolk.	
				Quarter 4 operation took place on the 10 th January. A total of 6 premises were tested these were a mixture of off licenced / Supermarket premises. 2 premises sold. The purpose of this operation was to revisit those premises which had sold in the previous quarter to ensure they were tested	

	within a 3 month period	
	thus allowing us should	
	they sell to under 18's to	
	allow us to pursue the	
	offence of persistently	
	selling alcohol section	
	147A of the Licensing Act	
	2003.	
	2003.	
	It was pleasing to note	
	that those in quarter 3	
	who failed had passed	
	this quarter. However, 2	
	new premises made sales	
	to under 18's. As these	
	were initial sales this	
	resulted in further follow	
	up work. Both were	
	independent stores and	
	required formal interviews	
	at police stations. This	
	was due to one of the	
	sales being made by the	
	owner / DPS / PLH. The	
	second sale at one of the	
	premises it was apparent	
	at the time he said he	
	was DPS / owner	
	however, this was	
	established was a lie and	
	he was subsequently	
	dealt with by way of £90	
	PND.	
	Both premises were	
	issued with written	
	warnings, advice packs	
	and the owners £90	
	PND's.	
	The second operation	
	took place on the 20 th	
	LOOK Place OII tile 20	

-	March 2014 again in	
	Haverhill. This was	
	primarily to revisit those	
	who sold at the beginning	
	of quarter 4. A total of 5	
	premises were tested	
	these were a mixture of	
	off licenced /	
	Supermarket premises. 1	
	premises sold. This	
	premise was one of the	
	independent stores which	
	failed in quarter 3.	
	Despite advice and initial	
	enforcement given it is	
	disappointing to note this	
	result. Investigations are	
	ongoing and further	
	enforcement action will be	
	taken in accordance with	
	our enforcement policy.	
	It has become apparent	
	from this year's activity	
	that Haverhill's results in	
	test purchasing has been	
	disappointing with a	
	number of failures from	
	off licences, supermarkets	
	and convenience stores.	
	It therefore, highlights	
	the importance of this	
	work which Trading	
	Standards undertake to	
	ensure alcohol is not	
	accessed by under 18's	
	and that further ongoing	
	work is required in	
	Haverhill.	

2	Mediation- 10 units of mediation (up to 15 hrs each) to be made available to the Anti Social Behaviour teams to assist with resolving ASB disputes Commissioned to Catch 22	ASB – reduce reports of ASB, reduce criminal damage. Emerging Crime- tackle SNT priorities, address short term issues not covered in Strategic assessment	3500	Commissioned in Q2 3 referrals received via the ASB teams 1x Bury St Edmunds 1X Bury Rural 1X mid Suffolk BSE - case did not go ahead following initial session, however victim pleased with the level of interest taken in hearing his side of the story. Due	•	Number of mediation cases referred and results Case studies Feedback from participants after completion of mediation after 6weeks/3 months and 6 months
				to the nature of events described to the Service Catch 22 liaised with the police over the seriousness of the matters disclosed and action was taken in the form of cameras being installed (by the police). In this case, although Mediation was not taken forward, confirmation of this then allowed for further action to be taken by the police.		
				Bury Rural –has achieved a written agreement. Progress made as communication has been exchanged between them via the Mediator which has not happened for some years. Mid Suffolk – a new referral in early stages of development.

3	Personal Alarms. Purchase 200 Personal	Domestic abuse – reduce	378	Commissioned in Q2.	A record/audit of recipients of the plants.
	alarms for use of high risk victims of Domestic	reported incidents of DA		Alarms sourced and ready	the alarms
	Abuse to use at their discretion as a	Reduce repeat		for distribution as	Follow up calls after receipt of
	reassurance and a deterrent. These will be	victimisation of DA		required.	alarm to moniter feelings of
	used as part of an overall agreed safety plan	Support victims		These alarms are given	safety and note any incidents
	Commissioned to Victim Care centre			free to high risk victims of	where it has been used.
				domestic abuse and	
				honour based abuse,	
				regarding incidents that	
				police have been called	
				out to.	
				These alarms give a	
				sense of safety and	
				reassurance to the	
				victims allowing to	
				continue to live their lives	
				under less threat of	
				further incidents.	
				The alarms are given to	
				victims throughout the	
				west Suffolk area and the	
				safer neighbourhood	
				police teams also have a	
				small supply of them so	
				they can give them to	
				victims that they feel are	
				a t risk of harm from	
				partners or family	
				members.	
				We do not have records	
				of the activations, if any,	
				but victims tell they feel	
				very much reassured just	
				carrying the alarms and	
				that the loud noise would	
				deter a perpetrator from	
				attacking them, and also	
				alert the public of the	
				danger.	
				Out of the 200 we have	
				allocated 160 this last	
				calendar year, and feel	

				the remaining few will be used up within a couple of months.	
4	Police Cadet Scheme- contribution to setting up of cadet schemes across the West Commissioned to Suffolk Police	ASB – reduce reports of ASB relating to young people Improve the way young people are perceived.	2000	Commissioned in Q2 This was spent by the Bury St Edmunds unit as follows; £270 for 12 cadet leaders to be trained to supervise cadets activities May 2013 £1500 for a weekend visit for the unit to Thorpe Woodlands Activity Centre September 2013 £230 for cadets to attend the annual conference in January 2014. This donation proved very beneficial to our Volunteer Police Cadet Programme. One of the key aims for our programme is promote a sense of adventure amongst cadets and contribute to their healthy lifestyles. By taking them on an outward bounds activity weekend, they were able to build self- confidence and overcome personal fears/difficulties. They developed their teamwork skills and became a tighter, more efficient unit as a result. By training the staff to supervise aspects of this weekend, we have been able to lower the cost for	 Number of young people engaged in the scheme who were considered at risk of offending. Measures in place to recruit those at risk of offending Activities cadets have been involved in and community feedback

5	Tainted Love- targeted sessions re Healthy relationships for young people in 5 Upper schools in Babergh and Mid Suffolk, following successful roll out in Forest Heath and St Edmundsbury in 2012-13 Part of the County wide Abuse is never ok' initiative. Commissioned to Catch 22	Domestic abuse – reduce reported incidents of DA Reduce repeat victimisation of DA Support victims	4500	future trips by only needing the activity centre staff for one of the days we are there. We have signed up to the national framework for Volunteer Police Cadets. By having funding in place to send our cadets to the national conference, they have been able to take part in decision making for the national team. They have had an influence on qualifications to be offered to cadets, community engagement activities to be undertook, crime prevention initiatives that cadets can work on and exit routes for cadets. Commissioned in Q2 4 schools have been identified 100+ young people have had the tainted love presentation. No mentor/mentee relationships have been identified.	 Numbers of schools taking part Number of sessions delivered Number of pupils taking part Outcomes of mentor/mentee relationships Catch 22 KPI data Evaluation forms for evidencing good practice 6 monthly service report
6	Development of a Freedom Programme in Brandon (Forest Heath) Commissioned to Irrini Counselling Establish a 12 week FP within 6 months of grant Ensure that 3 co- facilitators engage with the	Domestic abuse – reduce reported incidents of DA Reduce repeat victimisation of DA Support victims	1500	Commissioned in Q2 Supporting materials purchased. Project is delayed due to non- availability of co facilitator. 9	Town Pastors BSE Church based voluntary project offering support to NTE	engagement process NTE - Reduction in ASB associated with alcohol Reduction in VIAPP Reduction in CD ASB- Improve the way YP are perceived Support victims	3000	Commissioned Q3 During the period from April 2013 – March 2014 Town Pastors in Bury St Edmunds undertook 4745 Town Pastor activities, 3630 of which directly involved helping a person (or persons). Town Pastors ensured the personal safety/wellbeing of 235 people; this included making sure vulnerable people got safely to their transport, were walked home, or were reunited with friends. Town Pastors cared for 103 people who were excessively drunk and incapable of looking after themselves. The necessity for ambulance call-outs for the excessively drunk is greatly reduced when Town Pastors are on duty and able to care for		arterly crime figures arterly TP activity logs

10	Art for All – commissioned to Newmarket	Substance Misuse-	867	these people. Town Pastors removed more than 700 dangerous items (potential weapons) ie bottles/glasses from the streets, reducing the risk of injury to those enjoying a night out, police, emergency services, doorstaff, taxi drivers etc. On 45 occasions Town Pastors were able to diffuse fights or calm potentially aggressive situations. This reduced personal injury and the need for the police to make arrests. CCTV and/or police were made aware of 39 incidents/potential incidents or persons of note. Town Pastors gave water or a Freddo to over 3000 people, improving hydration and general attitude therefore reducing the risk of intolerant or aggressive behaviour.	Attendance figures
10	Art for All – commissioned to Newmarket Horseracing Museum Art project for vulnerable people aged 16 -24	Reduce illegal drug and harmful alcohol use in most deprived areas Increase awareness and understanding of substance misuse issues	86/	A selection process has been formulated and an information lunch will take place on Tuesday 6th May. Participants will be invited to apply to join the project and will be	 Attendance figures 1 to 1 feedback Entry and exit surveys

				introduced to the artist in residence. The project start has been delayed as the exhibition space required for the end of course event was unexpectedly needed during the time originally planned. The project will now commence on 12th May and will run for six sessions with an additional field trip which will be organised and funded by Open Door. The exhibition will be during the week commencing 21st July and will have an opening event for invited guests before it is open to the public for the remainder of the week.	
11	Reduce the Strength campaign – West Suffolk Commissioned to Suffolk Police Campaign to remove from sale alcohol over 6% sold cheaply from off licences	NTE – Reduction in ASB associated with alcohol Reduction in VIAPP Reduction in CD	3000	Commissioned Q3 Plaques on order Babergh launched April 5th Mid Suffolk to follow around July	No of outlets signed up to scheme Reduction in Alcohol related crime and ASB in West Suffolk
12	Suffolk Family Focus diversionary Gym project – Mid Suffolk Babergh councils	ASB – reduce reports of ASB involving young people. Improve the way young people are perceived Reduce criminal damage where Young people are the perps. Substance Misuse-	1350	Commissioned Q4 No update received	 Reduce incidents of ASB in Stowmarket Number of young people signposted to other services Reduce negative perception of participants.

		Reduce illegal drug and harmful alcohol use in most deprived areas Increase awareness and understanding of substance misuse issues Emerging crime- support SNTs/OPTs with priorities identified by partners/community engagement.			
13	Who do you think I am – commissioned to the YMCA	ASB - Reduce reports of ASB involving YP Improve the way YP are perceived	18500	Commissioned in Q4 To date, a Job Description for the post has be drawn up and we have been trying to source additional resources to enable us to manage and deliver the programme. The proposed start for the project is at the end of May/beginning of June.	 Personal development journeys for each young person Qualifications: accreditation will be an important part of the performance measures Numbers of young people participants and wider number of those involved in the project Outputs such as newspaper articles, media films, blogs, exhibitions Those who are NEET as they join the project and who move on into employment, education or training The perception of young people by others in West Suffolk – will be measured by questionnaires, surveys, circumstantial comments, interviews etc Additional benefits shown such as re-engagement with family, additional skills learnt, positive outcomes other than those detailed above
14	Caring Dads – commissioned to Mid Suffolk DA forum	Domestic abuse – reduce reported incidents of DA	9500	Commissioned in Q4 Training for the	Number of delegates trained for West Suffolk.
		Reduce repeat victimisation of DA		facilitators has been confirmed and will take	 Number of 'train the trainer' facilitators trained.

		Support victims Work with perpetrators		place at the end of May. There are places for up to 20 however any spare places not required for the West will be purchased by other areas if required. Flyers advertising the training have been distributed among partner networks and nominations are being coordinated by CYP	 Agreed SLA with partner agencies. Feedback to the CSP through quarterly reports. Use of assessment tools to give qualitative and quantitative evidence of impact on men attending. Other evidence of impact on families (eg level of involvement with Social Care, Police, Youth Offending and other agencies)
15	Escape the Trap – commissioned to Mid Suffolk DA Forum	Domestic abuse – reduce reported incidents of DA Reduce repeat victimisation of DA Support victims	2600	Coordinated by CTP Commissioned in Q4 Training dates have been set for the, Escape The Trap and these are due for May 2014. Schools, colleagues and community groups have been contacted with regards to this and as a result applications for training places have been requested.	 the number of young people supported through Escape The Trap programme delivery case studies of the journey of where young people have come from and moved onto the number of programmes run the number of people trained as facilitators for Escape The Trap
16	Stronger families programme X 2 – commissioned to Compassion	Domestic abuse – reduce reported incidents of DA Reduce repeat victimisation of DA Support victims	12760	Commissioned in Q4 Continuation of ongoing project.	 monitor the progress of each child using internal weekly progress reports for each child. four questionnaires with mothers throughout each programme to ascertain shifts in dynamics within the family, school, socially etc in terms of the kinds of relationships they want to have with their children and how this will influence the informed choices they make for their families in the future, the levels of aggressive behaviour in the home and elsewhere and whether there has been an increase in resilience.

		 collation of all work completed by children within the groups to support presentations and awareness raising of therapeutic outcomes. complete follow up work with each participating family to monitor the longer term impact on the children & family Presentation/report to be made
