Dear Amber

RE: HMIC PEEL: Police Legitimacy Inspection 2016

I welcome this report and I appreciate the opportunity to comment upon it.

I am pleased that the overall judgement is good, and the judgements for each of the key inspection questions are also good. I am also content that the HMIC felt there was no need to make any direct recommendations. However, a few areas for improvement have been identified.

As a consequence of this, and the areas for improvement identified in the HMIC report on efficiency published in November, I have asked for the Chief Constable to outline the progress being made by the force to my Accountability and Performance Panel meeting in April 2017.

Yours sincerely

Tim Passmore
