Dear Tim

The Police and Crime Commissioner for Suffolk Annual Audit Fees 2017/18

We are writing to confirm the audit work that we propose to undertake for the 2017/18 financial year at Police and Crime Commissioner for Suffolk.

From 1 April 2015, the duty to make arrangements for the audit of the accounts and the certification of relevant claims and returns and to prescribe scales of fees for this work was delegated to Public Sector Audit Appointments Ltd (PSAA) by the Secretary of State for Communities and Local Government. In October 2015, the Secretary of State confirmed that the transitional arrangements would be extended for one year for audits of principal local government bodies only, to cover the audit of the accounts for 2017/18. The audit contracts previously let by the Audit Commission and novated to PSAA have therefore also been extended for one year to give effect to this decision.

From 2018/19, new arrangements for local auditor appointment set out in the Local Audit and Accountability Act 2014 will apply for principal local government and police bodies. These audited bodies will be responsible for making their own arrangements for the audit of the accounts and certification of the housing benefit subsidy claim. The PSAA will play a new and different role in these arrangements.

Indicative audit fee

For the 2017/18 financial year Public Sector Audit Appointments Ltd (PSAA) has set the scale fee for each audited body, following consultation on its Work Programme and Scale of Fees. There are no planned changes to the overall work programme for 2017/18. It is therefore proposed by the PSAA that scale fees are set at the same level as the scale fees applicable for 2016/17. These fees reflect the significant reductions made to scale fees since 2012/13.

The fee reflects the risk-based approach to audit planning set out in the National Audit Office's Code of Audit Practice for the audit of local public bodies.

The audit fee covers the:

- Audit of the financial statements

- Value for money conclusion
- Whole of Government accounts.

For the Police and Crime Commissioner for Suffolk our indicative fee is set at the scale fee level. This indicative fee is based on certain assumptions, including:

- The overall level of risk in relation to the audit of the financial statements is not significantly different from that of the prior year
- Officers meeting the agreed timetable of deliverables;
- The operating effectiveness of the internal controls for the key processes identified within our audit strategy;
- We can rely on the work of internal audit as planned;
- Our accounts opinion and value for money conclusion being unqualified;
- Appropriate quality of documentation is provided by the Police and Crime Commissioner for Suffolk;
- There is an effective control environment; and
- Prompt responses are provided to our draft reports.

Meeting these assumptions will help ensure the delivery of our audit at the indicative audit fee which is set out in the table below.

As we have not yet completed our audit for 2016/17, our audit planning process for 2017/18 will continue as the year progresses. Fees will be reviewed and updated as necessary, within the parameters of our contract.

Summary of fees

	Indicative fee 2017/18 £	Planned fee 2016/17 £	Actual fee 2015/16 £
Total Code audit fee	31,733	*31,733	32,483

* The planned fees for 2016/17 will likely be subject to a scale fee variation increase. This arises from how the new reporting requirements from the CIPFA Code of Practice on Local Authority Accounting for 2016-17 impacts the Comprehensive Income and Expenditure Statement. We will work with officers to establish working paper requirements to minimise the impact.

Any additional work that we may agree to undertake (outside of the Code of Audit Practice) will be separately negotiated and agreed with you in advance.

Billing

The indicative code audit fee will be billed in 4 quarterly instalments.

Audit plan

Our plan is expected to be issued in January 2018. This will communicate any significant financial statement risks identified, planned audit procedures to respond to those risks and any changes in fee. It will also set out the significant risks identified in relation to the value for money conclusion. Should we need to make any significant amendments to the audit fee during the course of the audit, we will discuss this in the first instance with the Chief Finance Officer and, if necessary, prepare a report outlining the reasons for the fee change for discussion with the Audit Committee.
