Dear Amber

RE: HMIC PEEL: Police Efficiency 2017 and Police Legitimacy 2017

I welcome these reports and I appreciate the opportunity to comment upon them.

I am pleased that in both cases the overall judgement is good, and the judgements for each of the key inspection questions are also good. However, within these largely positive reports, a few areas for improvement have been identified, which should further strengthen performance.

The Constabulary regularly reports progress with HMIC inspection outcomes and, as a consequence of these reports, I have asked for the Chief Constable to outline the progress being made by the force to address these areas to my Accountability and Performance Panel meeting in April 2018.

Yours sincerely

Tim Passmore
Police and Crime Commissioner
