DETAIL OF THE SUBMISSION

1. INTRODUCTION

- 1.1 The Police and Crime Commissioner can commission services that:
- secure, or contribute to securing, crime and disorder reduction in Suffolk;
 - are intended to help victims or witnesses of, or other persons affected by, offences and anti-social behaviour.

This is in accordance with the provisions in the Anti-Social Behaviour, Crime and Policing Act 2014. In applying this provision, the PCC will ensure that the services commissioned are also consistent with the Suffolk Police and Crime Plan 2017 – 2021.

- 1.2 This report provides a summary of the grants recommended for funding by the Suffolk Police and Crime Commissioner's Fund Grant Panel following the Panel meeting in December 2018.

2. SUFFOLK POLICE AND CRIME COMMISSIONER'S FUND

- 2.1 The Suffolk Police and Crime Commissioner's Fund is administered by Suffolk Community Foundation and was previously known as the Safer Suffolk Fund. More information on the Fund can be found on the PCC website: [Decision 10 – 2014 – Proposals for Crime and Disorder Reduction Grants – 2014-15](#) and the [Safer Suffolk Fund Terms of Reference](#). [Decision 23-2016](#) refers to the future management of small grant awards.

- 2.2 The Suffolk Police and Crime Commissioner's Fund seeks to support organisations that can show clear measurable outcomes that address the key objectives of the [Police and Crime Plan for Suffolk 2017-2021](#). These are: to respond to calls for urgent assistance, care for our victims, communities, the local economy and our people, to protect the most vulnerable people and communities by preventing, reducing and solving crime and anti-social behaviour and making Suffolk safer.

- 2.3 It is recognised that voluntary, community and social enterprise organisations play a significant role in reducing crime and disorder and supporting victims and therefore the fund invites applications from organisations that are providing support in partnership/collaboratively where links can also be made with the key areas of focus in the Police and Crime Plan:

- **Vulnerable people** - who are or could be a target for crime.
- **Victims of crime** – helping people cope with the immediate impact of the crime and recover from the harm caused – especially where partnerships are formed to support victims.
- **Hidden Harm** – supporting those who are or could become a target for crime, cyber-crime, human trafficking, child sexual abuse.
- **Substance misuse** – working with those who have drug and alcohol issues.
- **Preventing reoffending** – working with those who offend to reduce re-offending.
- **Reducing crime and anti-social behaviour** – towards reducing anti-social behaviour.

- 2.4 A panel, established to consider grant applications of over £3,500, includes a representative of the PCC's executive team and Chairs of all the local Community Safety Partnerships (Ipswich, West Suffolk, Suffolk Coastal and Waveney Community Safety Partnerships). The Panel is chaired by the PCC who is

responsible for final determination of each award. Applications for £3,500 or less are determined by the Office of the Police and Crime Commissioner (OPCC).

2.5 The decisions for all previous awards can be found on the [PCC's website](#).
