10 October 2019

Dear Councillor O'Brien

I would like to formally thank the panel for commending my Annual Report for 2018-19 at the Police and Crime Panel meeting on Friday 4th October.

I was pleased to have the opportunity at the meeting to present several of the highlights of the previous financial year and discuss some of the challenges we will face this year.

In line with the recommendation of the Panel, the Annual Report is now published on our website and I will add your formal report to the website along with a copy of this letter. As we have done in previous years, an electronic version of the report will be sent to our parish council contacts and we will direct the wider public audience to the report via social media. Hard copies of the report will be available at our public engagement events throughout this year.

I would like to take this opportunity to thank you and the panel members for your continued encouragement and support.

Yours sincerely

Tim Passmore
Police and Crime Commissioner for Suffolk
