Dear Home Secretary

RE: National Child Protection Inspections 2019 Thematic Report (*published February 2020*).

I welcome this report which has brought together the learning from child protection inspections to make recommendations for improving practice. Three of the recommendations are for Chief Constables so I have asked for a response from Suffolk Constabulary, which is attached.

The Constabulary has provided a thorough response, which outlines the action being taken in relation to these recommendations. It also evidences how Suffolk Constabulary continues to work effectively with key partner agencies.

Yours sincerely
