DETAIL OF THE SUBMISSION

1. INTRODUCTION

- 1.1 The Police and Crime Commissioner can commission services that:
- a. secure, or contribute to securing, crime and disorder reduction in Suffolk;
 - b. are intended to help victims or witnesses of, or other persons affected by, offences and anti-social behaviour.

This is in accordance with the provisions in the Anti-Social Behaviour, Crime and Policing Act 2014. In applying this provision, the PCC will ensure that the services commissioned are also consistent with the Suffolk Police and Crime Plan 2017 – 2021.

- 1.2 This report sets out the background to the Suffolk Police and Crime Commissioner's Fund and proposes to continue the current model of operation with recommended funding of £300,000 for the financial year 2020/21.

2. THE SUFFOLK POLICE AND CRIME COMMISSIONER'S FUND

- 2.1 The Suffolk Police and Crime Commissioner's Fund (previously known as the Safer Suffolk Fund) was established in 2014

- 2.2 The Fund is administered by Suffolk Community Foundation (SCF). SCF is one of 46 Community Foundations in the UK who enable local people to donate to the heart of their communities. They address a wide range of issues, acting as a channel for multiple funds to support hard to reach communities and the organisations working within them.

- 2.3 The development of the PCC fund is documented on the PCC website through the following decision papers: [Decision 10 – 2014 – Proposals for Crime and Disorder Reduction Grants – 2014-15](#); [Safer Suffolk Fund Terms of Reference](#) and [Decision 23-2016](#) which refers to the management of small grant awards.

- 2.4 The PCC has worked with SCF to deliver the PCC Fund annually and also on one off campaigns such as 'Stay Safe Online' and the 2019 '[Youth Intervention Fund](#)'.

- 2.5 The fund itself seeks to support organisations that can show clear measurable outcomes that address the key objectives of the current [Police and Crime Plan for Suffolk](#) and has supported over 120 voluntary and charitable sector projects since 2014.

- 2.6 It is proposed that Suffolk Community Foundation continue to undertake all aspects of the management and administration of the grant making process including advertising and promotion (with the OPCC), handling enquiries and processing applications, assessing applications and recommending projects to the Fund's Grant Panel, notifying applicants, award monitoring and evaluation.

- 2.7 The fund invites applications from Voluntary and Community Sector organisations that are providing support in partnership/collaboration and where links can also be made with the following key areas of the Police and Crime Plan:

- **Vulnerable people** – who are or could be a target for crime. This could include people who are or could be a target for crime, or those vulnerable due to the nature of the crime they are suffering.
- **Victims of crime** – helping people cope with the immediate impact of the crime and recover from the harm caused – especially where partnerships are formed to support victims.
- **Serious Violence** – initiatives to support those at risk of offending and becoming victims of knife crime, gang activity and county lines.

- **Young people** – positive engagement schemes to reduce crime and disorder with a focus on those who are disadvantaged or at risk of offending and provide opportunities for young people.
- **Drugs and Substance Abuse** – supporting those who have drug and alcohol issues to positively impact on crime and disorder reduction.
- **Preventing reoffending** – working with those who offend to reduce re-offending. This could include schemes to support offenders and ex-offenders to improve their skills and support their rehabilitation into the community.
- **Reducing crime** – we will consider applications where an evidential link can be made with reducing crime and disorder.

2.8 It is proposed that the PCC Fund panel will continue to consider grant applications. The panel includes a representative of the PCC's executive team and Chairs of the local Community Safety Partnerships (Ipswich, West Suffolk, East Suffolk Community Safety Partnerships). The Panel is chaired by the PCC who is responsible for final determination of each award.

2.9 Decision papers are published after each grant panel and the [PCC website](#) includes details of each award.

3. FINANCIAL IMPLICATIONS

3.1 It is recommended that the PCC approves an allocation of £300,000 from his Commissioning budget for the operation of the PCC Fund in 2020/21.

3.2 This level of funding is commensurate with previous years and will support up to four funding rounds, allowing grants to be awarded in line with the published criteria for the fund.

3.3 In order to meet the costs of managing and administering the PCC Fund, Suffolk Community Foundation will charge a fee of 7.5% on the value of the funds awarded. This fee covers all aspects of the management and administration of the grant making process and is included within the total sum awarded.

3.4 SCF provide the Police and Crime Commissioner with regular financial statements for the Fund.

4. OTHER IMPLICATIONS AND RISKS

4.1 There are no major implications or risks associated with this decision paper.

5. RECOMMENDATIONS

5.1 It is recommended that:

- a) Suffolk Community Foundation continue to undertake the management and administration of The Suffolk Police and Crime Commissioner's Fund;
