## DETAIL OF THE SUBMISSION

### 1. INTRODUCTION

- 1.1 The Police and Crime Commissioner (PCC) can commission services that:
- secure, or contribute to securing, crime and disorder reduction in Suffolk;
  - are intended to help victims or witnesses of, or other persons affected by, offences and anti-social behaviour.

This is in accordance with the provisions in the Anti-Social Behaviour, Crime and Policing Act 2014. In applying this provision, the PCC will ensure that the services commissioned are also consistent with the Suffolk Police and Crime Plan.

- 1.2 This report provides a summary of the grants recommended for funding through the Suffolk Police and Crime Commissioner's Fund in March 2023.

### 2. SUFFOLK POLICE AND CRIME COMMISSIONER'S FUND

- 2.1 The Suffolk Police and Crime Commissioner's Fund is administered by Suffolk Community Foundation and was previously known as the Safer Suffolk Fund. More information on the establishment of the Fund can be found on the PCC website: [Decision Paper 10–2014](#).

- 2.2 In February 2022, a [new Police and Crime Plan](#) for the period 2022-2025 was published and the criteria for applications to the PCC Fund was aligned to the new objectives within the plan. The terms of reference were also updated to reflect the new objectives and the parameters in which the Fund will operate in.

- 2.3 The Suffolk Police and Crime Commissioner's Fund seeks to support organisations that can show clear measurable outcomes that address the objectives of the Police and Crime Plan for Suffolk. These outcomes have been strengthened and are specified in each application to the fund.

- 2.4 Applications were considered where links are made with the following key areas of the Police and Crime Plan:

- **Vulnerable people** – who are or could be a target for crime. This could include people who are or could be a target for crime (including people with protected characteristics), or those vulnerable due to the nature of the crime they are suffering e.g. are persistently targeted or suffering online crime, modern slavery, hate crime or abuse.
- **Victims of crime** – helping people cope with the immediate impact of the crime and recover from the harm caused – especially where partnerships are formed to support victims.
- **Serious Violence** – initiatives to support those at risk of offending and becoming victims of knife crime, gang activity and county lines.
- **Young people** – positive engagement schemes to reduce crime and disorder with a focus on those who are disadvantaged or at risk of offending and provide opportunities for young people.
- **Drugs and Substance Abuse** – supporting those who have drug and alcohol issues to positively impact on crime and disorder reduction.
- **Preventing reoffending** – working with those who offend to reduce re-offending. This could include schemes to support offenders and ex-offenders to improve their skills and support their rehabilitation into the community.

- **Reducing crime** – we will consider applications where an evidential link can be made with reducing crime and disorder.

2.5 The panel, established to consider the grant applications, includes a representative of the PCC's executive team and Chairs of the local Community Safety Partnerships (Ipswich, West Suffolk, East Suffolk). The Panel is chaired by the PCC who is responsible for final determination of each award.

2.6 The meeting to discuss the applications for Round 32 was held online.

2.7 The decisions for all previous grant awards can be found on the [PCC's website](#) along with a summary of impact for the grants awarded between January 2020 and June 2022.
