DETAIL OF THE SUBMISSION

1. INTRODUCTION

- 1.1 In accordance with the provisions in the Anti-Social Behaviour, Crime and Policing Act 2014, the Police and Crime Commissioner (PCC) can commission services that:
- a) secure, or contribute to securing, crime and disorder reduction in Suffolk;
 - b) are intended to help victims or witnesses of, or other persons affected by, offences and anti-social behaviour.
- 1.2 In applying this provision, the PCC will ensure that the services commissioned are also consistent with the Suffolk Police and Crime Plan.
- 1.3 This report provides a summary of the grants recommended for funding through the Suffolk Police and Crime Commissioner's Fund in June 2023.

2. SUFFOLK POLICE AND CRIME COMMISSIONER'S FUND

- 2.1 The Suffolk Police and Crime Commissioner's Fund is administered by Suffolk Community Foundation and was previously known as the 'Safer Suffolk Fund'. More information on the establishment of the Fund can be found on the PCC website: [Decision Paper 10–2014](#).
- 2.2 In February 2022, a [new Police and Crime Plan](#) for the period 2022-2025 was published and the criteria for applications to the PCC Fund was aligned to the new objectives within the plan. The terms of reference were also updated to reflect the new objectives and the parameters in which the Fund will operate in.
- 2.3 The Suffolk Police and Crime Commissioner's Fund seeks to support organisations that can show clear measurable outcomes that address the objectives of the Police and Crime Plan for Suffolk. These outcomes have been strengthened and are specified in each application to the fund.
- 2.4 Applications were considered where links are made with the following key areas of the Police and Crime Plan:
- **Vulnerable people** – who are or could be a target for crime. This could include people who are or could be a target for crime (including people with protected characteristics), or those vulnerable due to the nature of the crime they are suffering e.g. are persistently targeted or suffering online crime, modern slavery, hate crime or abuse.
 - **Victims of crime** – helping people cope with the immediate impact of the crime and recover from the harm caused – especially where partnerships are formed to support victims.
 - **Serious Violence** – initiatives to support those at risk of offending and becoming victims of knife crime, gang activity and county lines.
 - **Young people** – positive engagement schemes to reduce crime and disorder with a focus on those who are disadvantaged or at risk of offending and provide opportunities for young people.
 - **Drugs and Substance Abuse** – supporting those who have drug and alcohol issues to positively impact on crime and disorder reduction.
 - **Preventing reoffending** – working with those who offend to reduce re-offending. This could include schemes to support offenders and ex-offenders to improve their skills and support their rehabilitation into the community.

- **Reducing crime** – we will consider applications where an evidential link can be made with reducing crime and disorder.

- 2.5 The panel, established to consider the grant applications, is chaired by the PCC who is responsible for final determination of each award.
- 2.6 The panel includes a representative of the PCC's executive team and Chairs of the local Community Safety Partnerships (Ipswich, West Suffolk, East Suffolk). However, following the recent local election, CSP chairs were not all in position by the commencement of the June 2023 panel.
- 2.7 The meeting to discuss the applications for Round 33 was held online.
- 2.8 The decisions for all previous grant awards can be found on the [PCC's website](#).

3. PROPOSED GRANTS FOR FUNDING

- 3.1 Details of the grants proposed can be found in Appendix A. Conditions, including monitoring arrangements, for each award are agreed between Suffolk Community Foundation on behalf of the PCC and the recipient.
- 3.2 No grant funding will be released to any applicant until the conditions of the grant have been met. Appendix A will indicate if an applicant is subject to conditions before receiving grant funding via the PCC Fund Panel.

4. FINANCIAL IMPLICATIONS

- 4.1 The recommended grants from Round 33 of the panel total £43,449.
- 4.2 The PCC has committed to awarding multi-year funding, where an organisation applies, which is subject to Suffolk Community Foundation's due diligence checks and review by the panel prior to the award of funding in year 2.
- 4.3 There was one recommended applicant for a 2-year grant agreement. Therefore, there is an additional £15,000 recommended to be awarded in Year Two, which will be allocated from the 2024/25 PCC Fund budget. This can be viewed at Appendix A.

5. OTHER IMPLICATIONS AND RISKS

- 5.1 There are no major implications or risks associated with this decision paper.

6. RECOMMENDATIONS

- 6.1 It is recommended that:
