

FREEDOM OF INFORMATION REQUEST

REQUEST NUMBER: 9 - 2023

REQUEST DETAILS:

This is a submission of an FOI request concerning the allocation of funding for victim support services in your local area.

In particular, we are interested in seeing a break down in funding grants for local victim services, for both multi-crime services and specialist domestic abuse services, with the names of individual grantees included. Funding allocations made within the last 12 months will suffice.
