Dear Home Secretary

**RE: HMICFRS Inspection of how effective police forces are in the deployment of firearms**

Thank you for the opportunity to comment on this national thematic inspection. Suffolk Constabulary has provided an update on the eight recommendations for police forces, which is attached and will be published on my website.

Reports on the Constabulary's Protective Services (including Roads Policing and Firearms Team) is included in my schedule of reports the Chief Constable provides, so this will be kept under review.

Yours sincerely

Tim Passmore, Police and Crime Commissioner for Suffolk
