Dear Home Secretary

RE: HMICFRS – PEEL Spotlight Report – Getting a grip.

Thank you for the opportunity to comment on this national report which brings together the learning from the previous round of PEEL inspections. Suffolk Constabulary has provided an update on the three recommendations for police forces, which is attached and will be published on my website.

These matters are monitored through my Police and Crime Plan Performance Framework of reports to my Accountability and Performance Panel. The Workforce Report does update on retention plans and how the force is working to improve the well-being of officers and staff. The next report is expected in January which aligns with your recommendation deadline.

The recommendation on 'Force performance frameworks' is impacted by the requirements set in my Police and Crime Plan Performance Framework and associated reports to my Accountability and Performance Panel. In addition, and in line with the Specified Information Order requirement, information about the National Policing Measures is routinely published on my website.

Yours sincerely

Tim Passmore, Police and Crime Commissioner for Suffolk
