Dear Home Secretary

RE: HMICFRS Inspection of race disparity in police criminal justice decision making

Thank you for the opportunity to comment on this national thematic inspection. Suffolk Constabulary has provided an update, which is attached and will be published on my website.

This shows a commitment by the Constabulary to learn from analysis of the data (including with colleagues in Youth Justice), and ensure it reflects on this learning in relation to police powers scrutiny and the Police Race Action Plan activity that it is taking forward. This approach is consistent with my Police and Crime Plan.

Yours sincerely

Tim Passmore, Police and Crime Commissioner for Suffolk
