- 1.1 The Contract Standing Orders (schedule 5 of the original Section 22A Agreement for the Provision of a 7 Force Single Procurement Function) are reviewed on an annual basis.
- 1.2 The full changes are attached at Appendix 1. Aside from cosmetic changes, the main amendments are:
 - 1.2.1 Table 1 in section 6 now clarifies the procurement procedure for contracts over £60,000 (managed by 7 Force Commercial Services) is to be a “Compliant process as determined by 7F Commercial Services”. This will provide flexibility for qualified procurement practitioners to use the most appropriate legally compliant procedure to award a contract, recognising that this may not always be a tender.

 - 1.2.3 References to legislative requirements now include the Procurement Act 2023.
 - 1.2.4 A new transparency section (section 7) which includes the main transparency requirements under the Procurement Act 2023.
 - 1.2.5 A new section on Contract Management (section 10).
- 1.3 The proposed changes have been the subject of consultation with the Chief Finance Officers (for the forces and P(F)CCs), the Commercial Executive Board and Strategic Procurement Governance Board, and the Eastern Region Annual Summit.
- 1.4 The 7 Force Contract Standing Orders ensure compliance with the statutory obligations under the Public Contracts Regulations 2015 (as amended) and the Procurement Act 2023. They also form part of the PCC’s Financial and Procurement Regulations (a schedule to the Scheme of Governance).

2. INTRODUCTION

In Bedfordshire, Cambridgeshire, Essex, Hertfordshire, Kent, Norfolk and Suffolk, the 7 Force Commercial Services Function has been created to support police commercial and procurement activity.

All procurement of contracts over £60,000 (excl. VAT) will be managed by the 7 Force Commercial Services Function.

- 2.1. These contract standing orders will apply to all procurements and contract variations that are being carried out in the 7 Force region.
- 2.2. All contracts and orders for goods, works or services made by or on behalf of the PCCs and PFCC(s), with the exception of contracts / leases for the lending or borrowing of money, land and contracts of service for employment purposes, shall be made in accordance with these Standing Orders.
- 2.3. All contracts shall comply with statutory requirements including, but not limited to, UK and other applicable legislation and relevant Government guidance.
- 2.4. The PCCs, PFCC(s) and Chief Constables require all procurement activity to be undertaken in compliance with the Procurement Legislation and / or these Contract Standing Orders to ensure value for money.
- 2.5. Advice on specialist procurement matters must be directed through the 7 Force Commercial Function, which will decide the appropriate route for response or escalation, including the commissioning of external legal advice.
- 2.6. No exceptions shall be made to these Standing Orders other than for those reasons stated in paragraph 4.
- 2.7. All Officers shall comply with these Standing Orders. Any failure to do so may result in disciplinary action.
- 2.8. Any specific delegation of these Standing Orders to an officer may be exercised by their deputy or by another officer specifically designated in writing by the officer in accordance with any general directions issued by them.
- 2.9. Any dispute regarding the interpretation of these Standing Orders will be referred to the SPGB in the first instance. If the dispute cannot be resolved within 1 month, it will be escalated to the PCCs and the PFCC(s) and their decision will be final.

3. FINANCIAL AND CONTRACTUAL DELEGATIONS

- 3.1 The P(F)CC CFOs and CC CFOs will be responsible for determining authorised signatories within the PCCs, PFCC(s) and Constabularies. Those authorised signatories and sub delegation rules will be described and documented in each PCC and PFCC's respective Financial Regulations.

4. EXCEPTIONS TO NORMAL PROCEDURES

4.1. Exceptions

4.1.1. Tenders or quotes are not required in the following circumstances:

- 4.1.1.1. purchases through government agency or other consortium or similar body; or

- 4.1.1.2. purchases at public auctions; or
- 4.1.1.3. internal PCC, PFCC or Constabulary business where one part of the PCC, PFCC or Constabulary provides a service to the other; or
- 4.1.1.4. Other exceptions as defined in the glossary

4.2. Single Tender Action (STA)

- 4.2.1. STA for contracts under £60,000 excluding VAT shall be subject to approval locally by Chief Finance Officers. A full local audit trail shall be maintained.
- 4.2.2. STA for contracts over £60,000 excluding VAT must only be used in exceptional circumstances. Tier 1 or 2 Commercial Services staff must first assess the validity of the STA against the criteria set out below and either endorse or reject the proposal prior to consideration by the PCC CFOs or CC CFOs or their delegated authorities. Legal advice may be obtained if the procurement value is over the higher UK threshold and to clarify our exemption from / compliance with the Procurement Act. The acceptable criteria for a STA are:
 - 4.2.2.1. where it can be evidenced that only one supplier is able to carry out the work or service or to supply goods for technical reasons or because of exclusive rights;
 - 4.2.2.2. the contract has been classified as Secret by the CC CFOs making the use of a particular contractor essential or a limited competition to a select list of contractors and the avoidance of advertising requirements in the public domain;
 - 4.2.2.3. the contract is required so urgently that competition is impracticable, e.g. when an operational need arises which requires immediate action. These circumstances must be unforeseeable and not as the result of bad planning.
- 4.2.3. Where, for any reason not covered by paragraph 4.2.2, an exception is still sought to be made, then the PCC or CC CFOs may approve the exception. Post activity exception will only be granted for operationally imperative, or other emergency situations.
- 4.2.4. 7 Force Commercial Services must report quarterly to the CEB any Single Tender Actions not dealt with locally or under Reserved Matters.

5. **COMPETITIVE PROCUREMENT (Contract Value between £6,000 – £59,999 excluding VAT)**

- 5.1. The estimated value of a contract shall be the total value of the contract exclusive of VAT ("the Total Value"). This is the total amount estimated to be payable over the full term of the contract, including all options to extend the term under the Contract. If the full term is unknown, then the Total Value should be based on forty-eight (48) months. Requirements must not be disaggregated to avoid competitive procurement under any circumstances.
- 5.2. Criteria for the award of contracts shall be recorded in advance of the invitation to tender and strictly observed by Officers evaluating the bids. The criteria cannot be altered once the tender is advertised. The standard approach for evaluation will be the most advantageous criteria and consider whole life costs.

- 5.3. For quotations between £6,000 – £59,999 evaluation models used to select the successful bidder must consider appropriate Price, Quality and Social Value criteria when determining weightings dependant on the specific project and determined by the project lead. Further advice can be sought from 7 Force Commercial Services.
- 5.4. All Procurements above £6,000 must be conducted through the approved e-tendering platform.
- 5.5. The evaluation of bids must be objective, systematic, thorough and fair. Decision makers should be aware that the records of the decision-making process may be subject to scrutiny at a later date. A minimum of three Officers shall be involved in the evaluation of bids, and all evaluators will be required to complete a declaration of impartiality (found on force intranet pages).
- 5.6. If there is already an exclusive corporate contract in place for the goods, works or services required, it is mandatory to use it. Additional procurements for alternative contracts will not be approved or resourced. A full list of current corporate contracts can be found on 7F Commercial Services intranet sites.

6. COMPETITIVE PROCUREMENT (Contract Value over £60,000)

- 6.1. For goods, works or services over £60,000 the acceptance of quotations and tenders will be based on the principle of best overall value for money, incorporating as a minimum, quality, price and social value for tenders.
- 6.2. For Procurements over £60,000 the award criteria weightings will be determined by 7 Force Commercial Services using its professional expertise and in consultation with participating organisations and lead officers.
- 6.3. 7 Force Commercial Services has responsibility to ensure appropriate Procurement Policy and documentation are published covering matters such as:
 - 6.3.1. the whole tendering process i.e. relevant notices, initial tender, specifications and standards, and evaluation and appointment of contractors and consultants;
 - 6.3.2. processes regarding the use of sub-contractors;
 - 6.3.3. processes regarding variations to contract;
 - 6.3.4. the process to be undertaken in relation to declarations of interest in a contract;
 - 6.3.5. the procedures to be followed in relation to collaborative contracts;
 - 6.3.6. the adoption of Framework Agreements;
 - 6.3.7. the procedures to be followed in applying for an exception to Standing Orders, including:
 - 6.3.7.1. the formal procedure to be adopted to evidence alternative provision is not available;
 - 6.3.7.2. the formal justification of emergency provision;
 - 6.3.8. the achievement of value for money, and the minimisation of risk to the PCCs, the PFCC(s) and Constabulary.

- 6.4. If during a procurement process it is identified that an individual Force (or Forces) are put in a detrimental position (economical or from an operational efficiency perspective) this will be escalated to the lead stakeholder to resolve or take to the next monthly CEB.
